LIVE IN ME

<u>Verse 1</u>

C   Am
Jesus, I want to build a place for You
                     F   G
A place to call Your home a space You call Your own
    C   Am
As I gaze upon Your beauty in the Galaxies
               F
I'm filled with ecstasy
          G
You're everything I need

<u>Chorus</u>

C   Am
Come Live in me, breathe in me
       F
Heal the World through me
   Dm
I'll go where You send me
G
Say the words You give me

<u>Verse 2</u>

C   Am
Jesus, I want, to make space for You
                       F   G
Forgive me for my business, forgive me for my selfishness
     C   Am
As I run into Your arms I'm filled with confidence
                 F   G
Like I'm flying in the wilderness, You're everything to me

<u>Bridge</u>

F
I won't live silent, won't be afraid
   C   G
To say the name above all names
F
I won't slumber, won't fall asleep
C   G
The fields are white x2
